<u>7th Grade School Supply List</u>
2025-2026

Tips for Starting 7th Grade:

1. The 7th grade lockers are not as wide as many 6th grade ones. If you are interested in some type of organizing shelving, keep in mind that they are the very narrow ones!

2. *Earbuds* are a **<u>MUST</u>** everyday!

3. We can't wait to meet you, see you in September!
